It is a long established fact that a reader will be distracted by the readable content of a page when looking at its layout. The point of using Lorem Ipsum is that it has a more-or-less normal distribution of letters, as opposed to using 'content here, content here', making it look like read

Many desktop publishing packages use Lorem Ipsum as their default text and to make it the 'lorem ipsum' will uncover many web site issues. Various versions have evolved over the years, sometimes by accident, sometimes on purpose (injection of humour).
