

feelter

The truth sells

Problem:

98% of acquired consumers do not convert

Investment

\$150B spent in 2014 by
e-commerce websites in north
America to increase traffic

Outcome

Resulting in only **2%**
Conversion rates

“In a networked world,
trust is the most
important currency”

Eric Schmidt, Executive Chairman, Google

McKinsey estimates that 66% of the economy is influenced by personal recommendations

Trust recommendations from their friends*

Google's research indicates that 82% of smartphone owners use their smartphone while in stores shopping.
